Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-1 [1]
Published 1960
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Solar energy : a bibliography pt.2
Published 1976
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Survey of solar energy products and services, May 1979: prepared for the Subcommittee on Energy Research, Development, and Demonstration of the Committee on Science and Technology, U.S. House of Representatives, Ninety-fourth Congress, first session / by the Science Policy Research Division, Congressional Research Service, Library of Congress
Published 1979
Author Library of Congress. Congressional Research Service
Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-1 [2]
Published 1960
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Solar energy : a bibliography v.2
Published 1976
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Solar energy : a bibliography pt.1
Published 1976
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Energy research and development and small business: hearings before the Select Committee on Small Business, United States Senate, Ninety-fourth Congress, first session ... pt.10
Published 1975
Author United States. Congress. Senate. Select Committee on Small Business
Catalog Record Full View

Solar energy : a bibliography v.1
Published 1976
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Energy research and development and small business hearings before the Select Committee on Small Business, United States Senate, Ninety-fourth Congress, first session ... pt.10
Published 1975
Author United States. Congress. Senate. Select Committee on Small Business
Catalog Record Full View

Solar energy : a bibliography. Rpt's (v.205-)
Published 1979
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Survey of solar energy products and services, May 1979: prepared for the Subcommittee on Energy Research, Development, and Demonstration of the Committee on Science and Technology, U.S. House of Representatives, Ninety-fourth Congress, first session / by the Science Policy Research Division, Congressional Research Service, Library of Congress
Published 1979
Author Library of Congress. Congressional Research Service
Full View

Solar energy : a bibliography. Rpt's (v.205-)
Published 1979
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Solar energy : a bibliography pt.3
Published 1976
Author United States. Energy Research and Development Administration. Technical Information Center.
Catalog Record Full View

Solar influences on global change : a strategic plan for a NOAA program / U.S. Dept. of Commerce, National Oceanic and Atmospheric Administration, Climate & Global Change Program
Published 1980
Author
Catalog Record Full View

Design and construction of a miniature solar power system for operate meteorological instruments / Kenneth G. Reid
Published 1980
Author Reid, Kenneth G.
Catalog Record Full View

Design of air conditioning systems
Published 1948
Author Hutchinson, Francis William, 1910-
Catalog Record Full View

Solar energy : a bibliography
Published 1976
Author U.S. Atomic Energy Commission. Technical Information Center.
Catalog Record Full View

Solar energy : patent profiles : a publication from the Office of Technology Assessment & Forecast
Published 1980
Author United States. Patent and Trademark Office. Office of Technology Assessment and Forecast
Catalog Record Full View

Solar energy : a bibliography
Published 1976
Author U.S. Atomic Energy Commission. Technical Information Center.
Catalog Record Full View

Design of heating and ventilating systems
Published 1948
Author Hutchinson, Francis William, 1910-
Catalog Record Full View

A method to optimize the solar cell power supply for interplanetary spacecraft / Grady R. Nichols
Published 1963
Author Nichols, Grady R, 1930-
Catalog Record Full View

Space physics strategy : implementation study : a report to the Space Physics Subcommittee of the Space Science and Applications Advisory Committee, v.1
Published 1981
Author
Catalog Record Full View

Testing and evaluation of the solar panel sign support system
Published 2001
Author Bullard, D. Lance
Catalog Record Full View

Space physics strategy : implementation study : a report to the Space Physics Subcommittee of the Space Science and Applications Advisory Committee, v.2
Published 1981
Author
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-300
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Survey of solar energy products and services, May 1979: prepared for the Subcommittee on Energy Research, Development, and Demonstration of the Committee on Science and Technology, U.S. House of Representatives, Ninety-fourth Congress, first session / by the Science Policy Research Division, Congressional Research Service, Library of Congress
Published 1979
Author Library of Congress. Congressional Research Service
Full View

Solar energy
Published 1980
Author
Catalog Record Full View

Flat plate solar thermoelectric generator orbital experiment / S.L. Brady and A.N. Hinds
Published 1963
Author Brady, S. L.
Catalog Record Full View

Space physics strategy : implementation study : a report to the Space Physics Subcommittee of the Space Science and Applications Advisory Committee, v.3
Published 1981
Author
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-1000
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Survey of solar energy products and services, May 1979: prepared for the Subcommittee on Energy Research, Development, and Demonstration of the Committee on Science and Technology, U.S. House of Representatives, Ninety-fourth Congress, first session / by the Science Policy Research Division, Congressional Research Service, Library of Congress
Published 1979
Author Library of Congress. Congressional Research Service
Full View

Solar energy
Published 1980
Author
Catalog Record Full View

U.S. photovoltaic patents, 1851-1981 / a product of the Solar Energy Information Data Bank
Published 1982
Author
Catalog Record Full View

Solar energy update, 1979 INDEX
Published 1979
Author
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.451-4792/9/81
Published 1981
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Solar energy market research report : the existing and potential market for residential solar energy use in California / Diane Mann Grant
Published 1980
Author Mann, Diane Mann.
Catalog Record Full View

Catalog on solar energy heating and cooling products / Energy Research & Development Administration, Division of Solar Energy
Published 1975
Author United States. Energy Research and Development Administration. Division of Solar Energy
Catalog Record Full View

Usable electricity from the sun
Published 1979
Author United States. Energy Research and Development Administration. Photovoltaic Energy Conversion Program
Catalog Record Full View

Light-from wall and floor systems : analysis and performance / G. Shearson, Gerald E.
Published 1980
Author Shearson, Gerald E.
Catalog Record Full View

Proposed objectives for a solar energy development program in Illinois / Illinois Department of Business and Economic Development, Division of Energy
Published 1979
Author Illinois. Division of Energy.
Catalog Record Full View

Light-from wall and floor systems : analysis and performance / G. Shearson, Gerald E.
Published 1980
Author Shearson, Gerald E.
Catalog Record Full View

Usable electricity from the sun
Published 1979
Author United States. Energy Research and Development Administration. Photovoltaic Energy Conversion Program
Catalog Record Full View

Energy research and development and small business: hearings before the Select Committee on Small Business, United States Senate, Ninety-fourth Congress, first session ... pt.10
Published 1975
Author United States. Congress. Senate. Select Committee on Small Business
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-424
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

EEGA, 79
Published
Author
Catalog Record Full View

Solar maximum : solar array degradation / Tom Miller
Published 1985
Author Miller, Tom.
Catalog Record Full View

NASA conference publication, no.2071
Published
Author
Catalog Record Full View

Where to find information about solar energy
Published 1979
Author United States. Department of Energy. Office of Public Affairs
Catalog Record Full View

NASA technical note, v.4401-4490/1980
Published 1980
Author United States. National Aeronautics and Space Administration
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-1 [3]
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Analysis of materials flows on the Long Duration Exposure Facility : summary of results of the Materials Special Investigation Group / N. Pagon, Ronald
Published 1979
Author Pagon, N. Gary.
Catalog Record Full View

Solar energy collectors and concentrators : citations from the NTIS data base
Published 1977
Author United States. National Technical Information Service.
Catalog Record Full View

NASA contractor report, no.2520-1520-1970
Published 1970
Author
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-987
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Domestic policy review of solar energy : final report, institutional incentives and barriers / Rand
Published 1979
Author
Catalog Record Full View

Solar energy systems performance evaluation : A-frame (Jacksonville, Kansas): Vassali, October 1978 through March 1979 / C.L. Warner, Vassali author, Jacksonville (Ill.) Vassali (Firm) / Wendy
Published 1979
Author Warner, Carl L.
Catalog Record Full View

Proceedings of Solar Energy Storage Options, March 25-28, 1979, Lake Tahoe, Nevada : sponsored by the Department of Energy, energy for solar heating and cooling / sponsored by U.S. Department of Energy, Office of Conservation and Solar Applications, Research and Development Branch, Office of Energy Storage and Distribution, Thermal Storage Branch ; edited by. ISS 100-300 / editor, Stephen M. McCarthy, v.2
Published 1979
Author United States. Energy Storage Options Workshop (San Antonio, Tex.)
Catalog Record Full View

Federal and State solar energy research, development and demonstration activities : report to the Joint Economic Committee, Congress of the United States / by the Comptroller General of the United States.
Published 1979
Author United States. General Accounting Office.
Catalog Record Full View

Satellite power systems (SPS) concept definition study / S.W. Hanley
Published 1980
Author Hanley, S. W. 1934-
Catalog Record Full View

Residential energy from the sun : a description of the solar heating & cooling demonstration program
Published 1979
Author United States. Department of Housing and Urban Development. Office of Policy Development and Research.
Catalog Record Full View

NASA contractor report, no.2214-1518-1980
Published 1980
Author
Catalog Record Full View

Solar power / Author Moore, J Glen (Science Policy Research Division)
Published
Author Moore, James Glen.
Catalog Record Full View

Technical report : jet Propulsion Laboratory, California Institute of Technology, no.32-1393
Published 1970
Author jet Propulsion Laboratory (U.S.)
Catalog Record Full View

Catalog Record | Full View

Report of Domestic Policy Review on Solar Energy, held at Illinois Institute of Technology, Chicago, Illinois, June 26, 1978
Published 1978
Author Domestic Policy Review on Solar Energy (Illinois Institute of Technology)
Catalog Record | Full View

Technical report - jet Propulsion Laboratory, California Institute of Technology, no.32-1262;pt.1
Published 1976
Author Jet Propulsion Laboratory (U.S.)
Catalog Record | Full View

Solar heating and cooling demonstration project summaries
Published 1979
Author United States. Department of Energy. Division of Solar Applications
Catalog Record | Full View

Space simulation; the proceedings of a symposium held November 12-14, 1973, at the International Hotel, Los Angeles, California. Prepared at Goddard Space Flight Center
Published 1973
Author Space Simulation Conference Los Angeles, Calif.)
Catalog Record | Full View

Flame-powered trigger device for activating explosion suppression barrier / by R.A. Cortese and M.J. Sopko
Published 1991
Author Cortese, R. A.
Catalog Record | Full View

ATS-6 final engineering performance report / Robert O. Wales, editor. v.1
Published 1981
Catalog Record | Full View

Flame-powered trigger device for activating explosion suppression barrier / by R.A. Cortese and M.J. Sopko, no.9365 1991
Published 1991
Author Cortese, R. A.
Catalog Record | Full View

Exploring the unknown : selected documents in the history of the U.S. civil space program / John M. Logsdon, editor with Dwayne A. Day [and others], v.6
Published
Catalog Record | Full View

Exploring the unknown : selected documents in the history of the U.S. civil space program / John M. Logsdon, editor with Dwayne A. Day [and others], v.6
Published
Catalog Record | Full View

Solar electricity from photovoltaic conversion
Published 1980
Author United States. Department of Energy
Catalog Record | Full View

Satellite power systems (SPS) concept definition study / G.M. Hanley, v. 2.1
Published 1980
Author Hanley, G. M. 1930-
Catalog Record | Full View

Solar energy research and technology applicable to non-residential construction : a selected, annotated bibliography. February 1977
Published 1977
Author Pennsylvania. Dept. of Community Affairs.
Catalog Record | Full View

Use of solar energy in buildings in New York State / Clyde G. Oakley
Published 1974
Author Oakley, Clyde G
Catalog Record | Full View

An inexpensive economical solar heating system for homes / Johnny W. Alford ... [et al.] Langley Research Center, Hampton, Va.
Published 1976
Catalog Record | Full View

The Illinois program for comprehensive solar energy legislation / conducted for the Illinois Institute for Environmental Quality and the State of Illinois, Department of Business and Economic Development, Division of Energy, by Bruce D. Green, David Z. Pogany, J. Ernest Dunwoody
Published 1977
Author Green, Bruce D.
Catalog Record | Full View

Energy research and development and small business : hearings before the Select Committee on Small Business, United States Senate, Ninety-fourth Congress, first session ... pt.1C
Published 1977
Author United States. Congress. Senate. Select Committee on Small Business.
Catalog Record | Full View

What you need to know to go solar California : new home builder information / California Energy Commission's New Solar Homes Partnership
Published 2008
Catalog Record | Full View

Technical report - jet Propulsion Laboratory, California Institute of Technology, no.32-1203;v.1
Published 1976
Author Jet Propulsion Laboratory (U.S.)
Catalog Record | Full View

Solar energy update, 1979 no.4544-8042 + index
Published 1979
Catalog Record | Full View

NASA technical memorandum, no.3234
Published
Catalog Record | Full View

Solar energy update, 1980 INDEX
Published 1980
Catalog Record | Full View

Technical report - jet Propulsion Laboratory, California Institute of Technology, no.32-1265;v.1;pt.2
Published 1976
Author Jet Propulsion Laboratory (U.S.)
Catalog Record | Full View

Commercializing solar heating : a national strategy needed : report to the Congress / by the Comptroller General of the United States
Published 1979
Author United States. General Accounting Office.
Catalog Record | Full View

NASA SP, no.336 1973
Published 1973
Catalog Record | Full View

Solar heat for poultry housing / [H.D. Bartlett]., v.712(1964)
Published 1964
Author Bartlett, Howard D., 1918-
Catalog Record | Full View

Test results on a 50-watt solar concentrating photovoltaic generator / Robert Spies
Published 1962
Author Spies, Robert.
Catalog Record | Full View

DOE/CS., 0038;2 (1979)
Published 1979
Catalog Record | Full View

NASA technical memorandum, no.64814 1974
Published 1974
Catalog Record | Full View

Solar energy update, 1981 N-D AND INDEX
Published 1981
Catalog Record | Full View

ERDA authorization : 1976 and transition period : hearings before the Subcommittee on Energy Research, Development and Demonstration of the Committee on Science and Technology, U.S. House of Representatives, Ninety- fourth Congress, first session, pt.4-5
Published
Author United States. Congress. House. Committee on Science and Technology. Subcommittee on Energy Research, Development, and Demonstration.
Catalog Record | Full View

International market evaluations : solar thermal prospects / prepared by Meridian Corporation
Published 1987
Catalog Record | Full View

Beyond the atmosphere : early years of space science / Homer E. Newell
Published 1980
Author Newell, Homer E. 1915-1983.
Catalog Record | Full View

Solar thermal program summary, FY 1987/88;pt.1
Published 1988
Catalog Record | Full View

NASA SP, no.4211 1980
Published 1980
Catalog Record | Full View

Solar energy update, 1977 F-JY
Published 1977
Catalog Record | Full View

Automated array assembly
Published
Author RCA Laboratories.
Catalog Record | Full View

Domestic policy review of solar energy : a response memorandum to the President of the United States
Published 1979
Author United States. Department of Energy.
Catalog Record | Full View

Future orbital power systems technology requirements : a symposium held at Lewis Research Center, Cleveland, Ohio, May 31 and June 1, 1978
Published 1978
Catalog Record | Full View

Homeowner's guide to solar energy
Published 1977
Author Illinois. Division of Energy.
Catalog Record | Full View
